**RE: REGISTRATION OF EL KARAMA WILDLIFE CONSERVANCY-
KE/WC/31/001/2021**

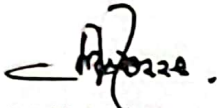

This follows the approval and gazettelement of El Karama Wildlife Conservancy Management Plan for the period 2022and 2032 vide Gazette Notice No. 8825 of 28th June 2022. We confirm the registration of El Karama Wildlife Conservancy (hereafter referred to as the Conservancy) situated on Land Registration numbers 4638/2, 4638/3, 2748, 2749 and 7496 measuring 2457, 1228, 3744, 3800 and 4152 acres, respectively. In addition to implementing management interventions outlined in the schedule of the Gazette Notice, you will be required to comply to the following conditions:

1. You will submit an annual compliance report on the implementation of the management plan to the Director General- KWS and a third- party evaluation on the implementation of the management plan every five years.
2. You will ensure that any research on wildlife conducted within the Conservancy, if any, is done in compliance with statutory requirements spelt out in the Wildlife Conservation and Management Act, 2013 and the National Science, Technology and Innovation Act, 2013.
3. You will ensure that the operations of the Conservancy are compliant with the Wildlife Conservation and Management Act, 2013 and the Wildlife Utilization Guidelines.
4. You will carry out regular monitoring of wild flora and fauna in the Conservancy and inform KWS of any changes or incidences that are likely to compromise the integrity of wildlife in the Conservancy.
5. You will keep a record of activities and wildlife species and their numbers in the Conservancy and submit bi-annual reports to the Director General- KWS.

6. You will indemnify KWS against claims which may arise from acts of commission or omission by yourselves or your agents in the Conservancy.
7. You will allow KWS officers to access the Conservancy records for assessment and for wildlife management interventions at all reasonable times.

The authority is not transferrable to any other entity or location and is given without prejudice to any other laws and regulations. The registration is valid 4th January 2029.

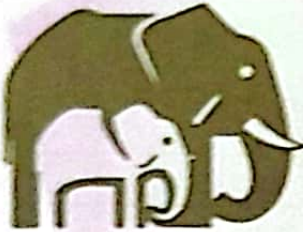

Yours faithfully,

M. N. MOSSE
FOR DIRECTOR GENERAL
